**\$55 TO START YOUR
OWN BUSINESS...**

YOUR OWN WAY!

SO... HOW DO I MAKE MONEY IN THIS BIZ?

Option 1 - Sales

This is the first and most obvious answer! Selling SeneGence products is just like having your own store... buying at wholesale and selling for a profit.

So how do I get the discount?

*The discount is based off of the amount being purchased.

SeneGence's discount levels are based off of Point Value, or PV. An item's point value is 1/2 of the retail price. (EX. 300 PV would be \$600 retail product). So, a tube of LipSense would have a PV of 12.5, and a gloss would have a PV of 10.

PV BREAKDOWN

1-99PV = 20% off Retail Price

100-299PV = 30% off Retail Price

300-749PV = 40% off Retail Price

*Note: If you're in your first 90 days, 300+PV single orders are 50% off. (You will need to place at least 300PV order each time to get the 50% UNLESS you get to 750PV either singularly or cumulatively.

750+ PV = 50% off Retail Price

PV is cumulative throughout each calendar month. Once you place a 750 PV order singularly, or reach it cumulatively through other orders, EVERY order thereafter for the month is 50% off, even if it's just 1 tube of color!!

Why pay the same for less?! **LOOK -**

\$600 dollars of retail product for \$362.98 OR \$374 retail product for \$326?!

Would you rather have a huge profit margin or a tiny one?!

**\$238 IN PROFIT... OR \$48?
FOR ALMOST THE SAME PRICE OUT
OF POCKET... IT'S A NO BRAINER!
ALWAYS TAKE ADVANTAGE!**
